*Selly Oak Nursery School is committed to safeguarding and promoting the welfare of the children and young people and expects all people to share its commitment*

Jon Newton started in the role of Football Coach here at Selly Oak Nursery School in January 2011.

We have always put great emphasis on Outdoor Learning and the development of Physical skills.

We believe that the development of fine and gross motor skills is a major influence in the general well being and academic success of our very young children.

Jon's input has had a massive impact on our children's physical progress as well as in other areas.

More importantly, the children really enjoyed the sessions and even the reluctant children joined in with support, until their confidence grew.

Our parents have also been delighted with this special part of the enhanced curriculum.

At our recent Ofsted Inspection, June 2013, the Inspector judged Jon's session as OUTSTANDING!

She was really impressed with this provision and its impact on Learning and Development.

Praise Indeed!

I would highly recommend Jon Newton as part of your Teaching Team in School.

Please contact me for any further details via e mail.
